

Meder Elected Vice Chairman of CFA Institute's Board of Governors

Alan M. Meder, CFA, CPA, senior vice president and chief risk officer of Duff & Phelps Investment Management Company, has been elected vice chairman of the Board of Governors of the [CFA Institute](#). Meder has served on the Board of Governors for the past three years, and has chaired multiple committees of the board, including the Audit and Risk Committee.

The CFA Institute is a global, not-for-profit association of investment professionals that awards the CFA (Chartered Financial Analyst) and CIPM (Certificate in Investment Performance Measurement) professional designations. In addition to administering the CFA and CIPM curriculum and exam programs, the institute publishes research, conducts professional development programs, and sets voluntary, ethics-based professional and performance-reporting standards for the investment industry. It has more than 100,000 members, 90,000 of whom are CFA charterholders.

Meder, who has more than 25 years of investment experience, leads risk management and quantitative research for Duff & Phelps Investment Management's equity and fixed income strategies. He also serves as treasurer for the four Duff & Phelps-advised closed-end funds: [Duff and Phelps Utility and Corporate Bond Trust Inc.](#) (NYSE:DUC); [DTF Tax-Free Income Inc.](#) (NYSE:DTF); [DNP Select Income Fund](#) (NYSE: DNP); and [Duff & Phelps Global Utility Income Fund Inc.](#) (NYSE: DPG).

He has been with Duff & Phelps Investment Management since 1985. He holds a BBA from Cleveland State University and an MBA from Baldwin-Wallace College.

[Duff & Phelps Investment Management Co.](#) had more than \$7.5 billion in open- and closed-end funds and institutional assets under management, as of June 30, 2011, and is a leader in investing in real estate investment trusts, infrastructure, and utility companies and in developing and managing focused investment strategies for specialized clients, including nuclear decommissioning trusts.
