A portion of these distributions may be eligible for a reduced tax rate. The percentage of each ordinary income dividend that is qualified dividend income is **100%** (shown in Box 1b of your Form 1099-DIV). The percentage of each ordinary income dividend that qualifies for the dividends received deduction allowed to certain corporate shareholders is **42.24%**.

Of the dividends paid in 2017, no portion was derived from earnings on obligations of the U.S. Government.

Return of capital is a nontaxable transaction. Your cost basis must be reduced by this amount until the basis of your stock has been reduced to zero. Any excess is treated as a gain from the sale of shares. Please consult your tax adviser regarding the proper treatment of return of capital.
